

### An Example on how to calculate the draw entries

<b>Previous balance</b>	<b>US\$ 300</b>	
<b>Trx amount</b>		<b>Draw Entries</b>
Groceries	US\$ 65	2
Utility bills	US\$ 53	2
Cash w/d	US\$ 50	2
Hospital	US\$ 125	5
Household items	US\$ 250	10
<b>Total trx this month</b>	<b>US\$ 543</b>	<b>21</b>
<b>Total bill this month</b>	<b>US\$ 843</b>	<b>33 (bonus)</b>

**Total Value chances: 54**

**First time usage bonus: 10**

(applies to renewal Cards as well)

**Total Draw Entries: 64**

If this is one of the winners of this month's draw, the total Value back credited to the account would be:

**US\$ 843**
